Club Email" flag set to "No" in your membership record on the site. The second reason that you may not be getting the reminders is that we don't have your correct email address. When we send out reminders, the ones that can't be delivered are returned to me. Usually, this is because the email address that we have on file is not correct. If this turns out to be the case, I erase the email address that we have and set the Receive Club Email flag back to No. At any rate, if you aren't getting the reminders and would like to, log on to the site and update your member information. Also, check your mailing address while you're there, as we use that information to print the mailing label for the Open Road.

If you have trouble logging on to the site, there is a link on the login page that will send your password to you as long as we have a good email address on file. If all else fails, send me a note and I will send your password to you.

Until next time, keep those cards and letters coming!

What To Do? What To Do?

August starts off with the Brickyard Mingle on August 2nd at the Sonic Drive-in on Crawfordsville Road at 7:00pm. Come clog your arteries with drive in food and cool drinks and impress others with your car. If you are not familiar with the Speedway Shopping Center, it is just inside I-465 on the Crawfordsville Road exit on the West side of Indianapolis. Crawfordsville Road is the main route that people take into the Indianapolis Motor Speedway.

August 23rd is the date for the Booes's and Brummet's Mardi Gras rally. The organizers promise us that we'll be driving on roads that we've never seen before. This rally will begin from South Putnam High School, located five miles north of I-70, at the junction of U.S. 40 and U.S. 231. Driver's meeting begins at 10:00am, with the first car off right after that. The rally ends at Zydeco's Cajun Restaurant in downtown Monrovia (or as Zydeco's says, "Monreauxvia".) Aiyeec!
