June Is Busting Out All Over!

If you check your calendar, you will find that Saturday, June 21st is the first day of summer and the longest day of the year. Okay, we know that all days are 24 hours long, but that day has the most sunlight and what better way to spend that extra time than cruising with the top down! To help in that, Dennis and Hazel Moore have mapped a route over the hills and curves along the East Fork of the White River in Lawrence County. See the insert for more details and the registration form. Remember, you can sign up on the events page on the club web site!

Looking deeper at the event calendar, we see that the tradition continues with the most cussin' causin' road rally we know. July 12th is the date for this year's Fussin' and Cussin' Rally. See the insert for more details and the registration form. Remember, you can sign up on the events page on the club web site, too!

On July 27, we've got a mingle with a purpose. Make your Miata shine, shine, shine and then enjoy a picnic! Al Jennings and Susan Koerner are hosting a "Wash and Wax" mingle with a pitch-in BBQ afterwards. (Dr. Detail will be attending and if anyone needs special assistance, contact him prior to this event at rick@dustbunny.com or 317-291-8993.)

The Indy chapter of the SCCA has several events going on in June. On Sunday June 8th, they will be in Converse, IN for "Cones Over Converse" which is being held at the Converse Airport.

On Sunday, June 22, the autocrossers head south to the Walesboro Airport, just south of Columbus on I-65 at St. Rd. 450 South for the Hoosier Showdown.

The Indy autocrossers will be back at the Bush Stadium parking lot on July 19th with an "Australian Pursuit" Solo 2 competition. As they state, "A different kind of event from a different kind of Region!"

For more information on these events and more, visit the Indy SCCA web page at <http://www.indyscca.org/>.

The Buckeye Miata Club is proud to host the annual Miata Autocross Challenge on July 12, 2003. This event is open to all Miatas and every Miata owner is invited to compete, or just come out and watch this day long event. More information may be found at: http://www.buckeyemiataclub.com/2003_Challenge.htm
