## *Around The Bend...* by Jay Hofaker, President

We've had great weather for our springtime rallies and the turn out for all of these events have been great. It's nice to see everyone at these events. A big thanks goes out to the Rally Masters who organize these events. Remember to thank them for their hard work, because without Rally Masters, there are no rallies! Do you have an idea for an event? Don't be afraid to put a rally on, it can be as simple as a drive on your favorite road or as complex as you can make it. Contact me or I'm sure anyone who has run an event before, would be glad to help you out.

June looks to be a busy month with Dennis and Hazel Moore's "Run To The River" and all the US Grand Prix events. The Moore's organized last year's "Longest Day" rally and it was a good one, so I'm sure that "The Run to The River" will be another fun event. Chuck Wills has been our contact person for a lot of the USGP events. If you missed last year's downtown cruise, be sure to attend this year. This tour of downtown with the Police Motorcycles escorting us through dozens of red lights, people on sidewalks looking and commenting on our cars is not to be missed!

See you at the next event!

## Mingle At The Sonic Well Attended

Another no rain event! Over 25 Miatas showed up at the Sonic in the Speedway Shopping Center to eat drive-in food and talk cars. Several new members showed up and everyone had a good time. Cars, racing, cameras, super chargers, roll bars, and upcoming events were all discussed.

Officer Friendly stopped by to look at all those Miatas!

Eric shows Sue and Jim something in his trunk. Photos or some other deal?

Steve Jacobson chuckles at someone's joke.

Bruce chows down a burger as Shelly and Cathy look on. There's nothing like drive-in food!

Chuck checks the settings in the Link ECU for John's turbocharged Miata.
