

HOLIDAY PARTY!

The annual Holiday Party is fast approaching! Join us at 6:00pm on December 11th at FastTimes Indoor Karting for a fun afternoon of holiday cheer. Once again, the club is buying your meal!

This year's party is being held in the party room at FastTimes Indoor Karting Center. Before you think "Hey, I don't like go-karts", or "Go-kart places are dirty and loud", FastTimes is a class act. When you walk in you are greeted by a real IRL car hanging from the ceiling and a very nice decor. There are video screens showing Speed Channel and huge windows overlooking the two story kart track. We have exclusive use of their private conference/party room, which seats over 125 and overlooks the track.

We will have elections for 2006 club officers and continue the tradition of the famous Indy Miata Club gift swap. Please bring a \$10 to \$15 gift for the exchange, it may or may not be Miata related... it's up to you! Get ready to "pick or steal" when your lottery number is drawn. It's always a fun time, whether trying to hold onto the gift you really want or "stealing" someone else's prized gift!

An optional event to conclude the party, will be the opportunity to try some fast and furious kart racing on the Midwest's only two level indoor road course, at speeds in the 40 MPH range. This promises to be a good time, either driving or watching! Here's your chance to use your "chrome horn" on our president!

Please RSVP to Ben Hermann by Tuesday, December 6th so we can give FastTimes a head count. The best method is to register on the event page at <http://indymiata.org>. Please note that if you wish

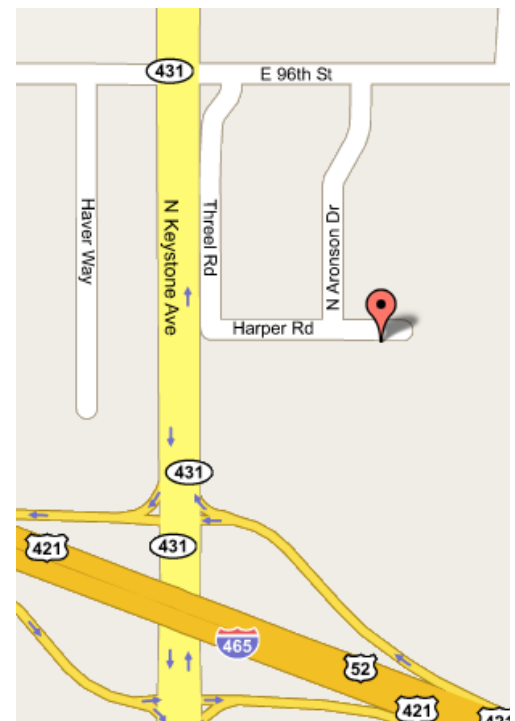

to participate in karting, there is a separate sign up page. Email is another option, click on the officer link on the club web site and then hit the contact button for Ben. No internet connection? You may call him at 317-727-1401. The important thing is to let him know that you are attending.

If you are interested in running for the office of Vice President, Membership Chair, or Treasurer or nominating someone for an office, please let President Ben know.

FastTimes is in Carmel, near the Woodland Bowl and Butler Toyota/Kia/Hyundai. Just take 96th street East from Keystone and turn south at the first light (Aronson Drive).follow it back and turn left at the T intersection (Harper Dr.) and go towards Woodland Bowl. FastTimes is in the corner on your right.

You can learn more at <http://www.fasttimesindoorkarting.com/>

It has been another great year for the club, so let's end it on a festive note! And remember, this is a Miata optional event.

SEE YOU ON DECEMBER 11TH AT 6*00PM! Map to FastTimes Indoor Karting - 317-566-0066
