

# It's A Frantic Funkanna!

Come one, come all to the Frantic Funkanna that will be held on **July 9**.

What is a Frantic FunKanna? It's a test of skill and cooperation for a driver and their passenger. It is NOT a race; speed is not encouraged; in fact it will mess you up! It's fun to participate; or even just watch and laugh!

Some events might include:

While blindfolded, drive a slalom coned course via passenger's instructions. (FYI - Divorce attorney provided!)

Throw Frisbees at targets while circling a course.

Place plastic balls on traffic cones while going through a tight slalom course. Then, pick them back up while driving in reverse.

Do a blindfolded parallel park between soft barriers while receiving instructions. (Did we mention a divorce attorney?)

Carry an egg in a spoon (out the window) while negotiating a "road course".

Swap coveralls with your navigator while seated in your car.

Laugh at everybody else trying to excel at Stupid Human Tricks.

The event will be held on the parking lot at Union Chapel United Methodist Church, 2720 E. 86th St., just 200 yards west of Keystone Avenue, beginning at 9:30 AM. If you want early coffee/breakfast, I suggest Steak and Shake at 1501 East 86th St. at Westfield Blvd. in Nora, around 8:30 or so. Then travel east on 86th St. past the fire house, past North Central H.S., to just opposite LazyBoy Furniture.

Your skills earn points, and prizes go to the most skilled teams. After the event, we will adjourn to a nearby restaurant and while we compute the scores, enjoy a really nice lunch in a reserved section of the restaurant with fare ranging from salads to steaks or shrimp or chicken or sandwiches to soups, and a hot fudge brownie!

IN CASE OF RAIN, come anyway. We have a nice in-town rally route laid out that will test your slow speed driving and instruction following and your high speed clue finding ability. And it leads you to the nice, casual restaurant for lunch described above.
